In 1991 I was awarded the Pro Bono Attorney of the year by the Pima County Bar Association for work I had performed on behalf of an indigent person who sought and was eventually granted political asylum in the United States.

I am currently a Board Member and Officer (Treasurer) of the Nevada Affiliate of the American Civil Liberties Union.

9. Describe in detail your experience in practicing criminal law, including the prosecution of criminal cases and juvenile court proceedings.

I am a trial lawyer.

I am Death Qualified in the State of Nevada. 95 percent of my practice is criminal defense or related to accusations of criminal activity. I routinely practice in both State and Federal Courts and I have done so in multiple jurisdictions large and small. I have represented numerous individuals in the Family courts of Clark County for both petitions to Terminate Parental Rights and Petitions for Neglect to Protect Subject Minors.

I have participated as defense counsel or prosecutor in 36 felony jury trials (14 were on the charge of Murder). Additionally, I have participated in 4 trials that settled after a jury was selected but prior to the jury reaching a verdict.

I have participated as defense counsel or prosecutor in hundreds of preliminary hearings, evidentiary hearings and bench trials.

As a prosecutor I participated at one point or another in all stages of a criminal prosecution from the writing of the criminal complaint to the drafting of jury instruction and responding to the appeal of the conviction.

My last jury trial was in August of 2011 but was settled during voir dire.

My last complete jury trial was October 2009 and the charge was murder.

10. Describe in detail your experience in practicing civil law, including family support and child welfare matters.

I have tried to a Federal Jury civil cases alleging Civil Rights abuse. I have been involved in the preparation of multiple other civil cases that have settled by negotiation.

CIVIC, PROFESSIONAL AND COMMUNITY INVOLVEMENT

11. Have you ever held an elective or appointive public office in this or any other state? Have you ever been a candidate for such an office? If so, give details, including the offices involved, whether initially appointed or elected, and the length of service, or the office for which you were a candidate.

No

12. State any civic activities in which you have taken part, giving dates and offices or leadership positions, of which you want the committee to be aware.

13. List any accomplishments (i.e., educational, military service, charitable and the like) of which you want the committee to be aware.

In 1994 I taught, as an adjunct faculty member, at the University of Nevada Las Vegas a course on Criminal Prosecution. In preparing for the course I was immersed in the history and philosophy of public prosecution as a distinctly American phenomenon and its relation to equal justice under law. Other aspects of the course included a section on prosecutorial immunity and prosecutorial ethics.

14. In the last ten years, have you been arrested, charged or held by any federal, state, local or other law enforcement authority, including the IRS and SEC, or convicted of violation of any federal, state, or local law, regulation or ordinance? Exclude minor traffic violations and any juvenile offenses. Provide detail of the circumstances, charges, and dispositions.

No

15. Have you ever been sued for any claim arising out of your activities as a lawyer or judge? If yes, explain.

I was the defendant in a fee dispute lawsuit which was settled prior to any hearings to the satisfaction of both parties.

16. Have you ever been the subject of an ethics, open meeting law or public records complaint? If yes, explain.

No

17. In the last ten years, have you have ever been called upon to respond to a complaint or charge or to appear before a judicial discipline commission, a bar association grievance committee, bar association character and fitness committee; or have you ever been disciplined or cited for breach of ethics or unprofessional conduct by any court, commission, or military tribunal? If yes, explain. Include any complaints now pending.

I do not have any complaints pending. I have been called upon to respond to complaints to the State Bar of Nevada. All complaints were dismissed without a formal file being opened after I filed my response to the allegations.

18. Are you in violation of or have you violated any court orders, including spousal and child support?

No

ADMINISTRATIVE EXPERIENCE

19. Describe in detail your experience in overseeing and managing the work of other attorneys.

I have supervised the work of attorneys associated with my firm during the last 13 years. Most of the attorneys that have worked for me as associates have for the most part been newly admitted lawyers. It has been important to have ongoing supervisory skills in helping to guide them through difficult transition from law student to practicing attorney.

20. Describe in detail your experience in preparing and overseeing a budget.

I am the Treasurer for a non-profit organization with a budget of nearly one million dollars a year. The organization has a professional staff of three and a non professional staff of 7 with offices in Las Vegas and Reno. In addition to assisting in the preparation and implementation of the budget I am responsible to the organization's donors to supervise the yearly audit of the organization.

21. Describe in detail your experience in managing and supervising non-attorney staff subject to collective bargaining agreements.
